Mission Statement

To grow and share our small Byzantine Catholic Community in both size and spiritual enrichment. St. Athanasius Byzantine Catholic Church proclaims an old faith, in fact the oldest Christian faith. However, this faith is deeply fulfilling and profoundly appropriate for the modern person. This faith will be shared with the entire community of central and southern Indiana by the fullness of our Churches' liturgical services and its' spirituality. This will be accomplished through community outreach offering religious education, classes on theology, spirituality, scripture studies, fundraising, Byzantine counseling with a focus on Scriptural healing of mind, body and soul.

With this in mind, we welcome all! We pray that you will find, unite with God, our Father and Creator, Our Lord, Jesus Christ, Savior and Redeemer and invite the Holy Spirit into your lives that through the Most Holy Trinity you may find peace, comfort and healing of mind, body and soul!

Please join us for snacks & conversation in St. Mary's Hall after the Ancient Divine Liturgy today!

Opportunities for Prayer during the Great Fast

If you look at the weekly schedule inside the bulletin you'll see that there are one or more services at St. Athanasius being provided each day. Before going to work you can attend the Liturgy of the 1st Hour. Typically the 1st Hour would be celebrated at 6 AM. We feel that 6:30 is more convenient so that more people can attend this less than 30 minute service. Start your work day worshipping God at our parish.

At noon Monday to Friday we're celebrating the Midday Office (also called Terce-Sext). This is a combination of the 3rd and 6th Hours service that lasts approximately 40 minutes. Spend your lunch hour praising God in union with many people across the world that are praying at this same time.

On Wednesday and Friday we're celebrating the Liturgy of Presanctified Gifts. This is a combination of Vespers with additional Lenten prayers and Communion. We're privileged to be the only Eastern Catholic church within 100 miles or more that has this ancient service. It used to be more widely celebrated throughout the entire church when it was first documented by Gregory Dialogos in the 6th century.

The 2nd All Souls Saturday is February 27th at 9 a.m. Please attend and pay homage to God for his mercy on the deceased loved ones in your family.
